On 09-12-17 I was asked to follow up on this investigation. I responded to [REDACTED] located at [REDACTED] Andersonville Road in the Town of Glover. I was not able to locate anyone at the farm, however, I was able to locate a [REDACTED] at the residence that is located on the farm land. The [REDACTED] identified [REDACTED] as [REDACTED] and advised that [REDACTED] was also [REDACTED]

I asked [REDACTED] if Kurt Cotanch was available, as he was the initial complainant in this case. [REDACTED] stated that he may be at the barn next door, but if not, [REDACTED] was not sure of his location. I spoke to [REDACTED] briefly advising [REDACTED] that VSP was taking this vandalism very seriously and I was there to conduct some follow-up investigation. I asked [REDACTED] who the [REDACTED] " was that they thought might have done this spray painting. [REDACTED] advised that there was [REDACTED] [REDACTED] [REDACTED] stated that [REDACTED] was not sure where is was at this time, but [REDACTED] had heard that [REDACTED] was working at the [REDACTED] in Orleans area. I asked [REDACTED] if [REDACTED] would either contact myself or Cpl Field if [REDACTED] heard anything, even if [REDACTED] didn't think it was important because VSP was taking this vandalism very seriously and would follow-up on any lead.

I asked [REDACTED] if [REDACTED] thought that this was racially motivated or directed at anyone in particular and [REDACTED] didn't think that it was. The vandalism had been sprayed on with [REDACTED] and a [REDACTED] paint.

I cleared from the residence, which had a mailbox that indicated that the residence address was [REDACTED] Andersonville Road.

I went to the barn next door and went inside. No one was at this location, so I left a note on the office door for someone to contact me as I was just following up on the vandalism.

I asked [redacted] if [redacted] thought it was some random vandalism or if it was directed toward anyone in particular. [redacted] stated that [redacted] believes that there may be a meaning behind it due to the specific nature of the vandalism, however [redacted] doesn't believe that it was directed at someone. [redacted] stated that [redacted] had heard that it was found elsewhere around town as well and believes that it was just randomly spray painted on one of their barns. NOW COMES Corporal Amy LeClair, affiant(s), being duly sworn and on oath,

and says the following:

On 09-13-17 at approximately 0936 hours, Sgt Debra Munson asked Corporal Callie Field and I if we would meet with [REDACTED] in Glover VT. It was learned from previous interviews that [REDACTED]

Cpl Field and I arrived at [REDACTED], which was located at [REDACTED] in [REDACTED] at approximately 1038 hours. We met with a male who was [REDACTED]. While we were meeting with him, [REDACTED], came into the barn and we spoke with [REDACTED] in [REDACTED] office. We asked if [REDACTED] worked there and roughly how long [REDACTED] has been employed by [REDACTED] advised that [REDACTED] there and that [REDACTED] has been there [REDACTED] advised that [REDACTED] was not working at that moment though. [REDACTED] advised that [REDACTED] advised that [REDACTED] so [REDACTED] wasn't sure if [REDACTED] would [REDACTED] or not. [REDACTED] provided us with [REDACTED] address, which is [REDACTED] in [REDACTED]. [REDACTED] also advised that [REDACTED] for [REDACTED] and that [REDACTED] has been [REDACTED] for about [REDACTED]

After clearing from the [REDACTED], Cpl Field and I responded to [REDACTED] residence. We arrived at approximately 1059 hours. [REDACTED] met us at the door and went to get [REDACTED]. [REDACTED] met us outside the residence. This interview was recorded using my department issued audio recorder. While I was just getting [REDACTED] name and address, an [REDACTED] opened the door very abruptly and appeared a bit disheveled and asked if I was aware of [REDACTED] and that [REDACTED]. He advised that [REDACTED]. I advised this male that I was there just meeting with [REDACTED] and [REDACTED]. I asked him if he was aware of something that [REDACTED] had done or was guilty of something that I should be aware of and [REDACTED]. The [REDACTED] advised that he wasn't aware of any such thing and that he just wanted me to be aware that [REDACTED]. This male then closed the door and went back inside the residence.

I asked [REDACTED] if that was [REDACTED], to which [REDACTED] replied that it was. [REDACTED] advised that [REDACTED] name is [REDACTED]. Before going any further I advised [REDACTED] that I was there to meet with [REDACTED] because of the vandalism that had occurred in Glover at the farm. I advised [REDACTED] that we were meeting with [REDACTED]. I advised [REDACTED]

[REDACTED] then said, "Yeah, we can have [REDACTED] come out because [REDACTED] can verify that I work from [REDACTED]. I advised [REDACTED] that I believed [REDACTED] about the work hours and asked if that was the only reason [REDACTED] wanted [REDACTED] to come out. Gonyaw advised that was it. [REDACTED]

[REDACTED] advised that [REDACTED] had heard about the incident from [REDACTED] and from the news. [REDACTED] stated that [REDACTED] hadn't known anything about it other than that. [REDACTED] stated that [REDACTED] knew a lot of "[REDACTED]" in the area that liked to "spray paint" things in that area. When I asked [REDACTED] if [REDACTED] could provide me with any names, [REDACTED] stated, "there were hundreds of kids so it would be hard to just come up with a couple of names".

As we began speaking further, [REDACTED] ended up coming out to our location. [REDACTED] made the comment that [REDACTED] that were [REDACTED]. When I asked [REDACTED] [REDACTED] interjected that [REDACTED] didn't want [REDACTED] to provide [REDACTED] because it wasn't any of their business to be discussing with us, [REDACTED] advised [REDACTED] didn't want to provide [REDACTED]. I did advise both [REDACTED] and [REDACTED] that we wouldn't go to these individuals and advise them who told us their names, however they still refused to provide [REDACTED].

[REDACTED] advised that [REDACTED] had been working at [REDACTED] in [REDACTED] for about [REDACTED] months and that is also the length of time [REDACTED] has resided at this location in [REDACTED]. [REDACTED] advised that [REDACTED] in Glover for a [REDACTED] months [REDACTED] stated that [REDACTED] in Glover. Again, [REDACTED] advised that [REDACTED] has lived at this location in [REDACTED] for about [REDACTED] months and has been employed by [REDACTED] for about [REDACTED] months as well. [REDACTED]

[REDACTED] advised that while [REDACTED] was working at [REDACTED]

[REDACTED] started talking about how [REDACTED] saw this all over [REDACTED] and the news. [REDACTED] stated that [REDACTED] knew that we would be out to talk [REDACTED] "just knew it". I asked [REDACTED] why [REDACTED] hadn't come to us then, and [REDACTED] replied, "We probably should have".

When asked what [REDACTED] thoughts were on if this was directed at anyone specific, [REDACTED] advised that [REDACTED] believes that "it was probably just some drunk or stoned kid that did something stupid". [REDACTED] didn't think that it was a Hate Crime. [REDACTED] stated that if it was directed at anyone, it probably would have been at [REDACTED], because the guys at the farm were always "making fun of [REDACTED] because of his [REDACTED]". [REDACTED] stated that [REDACTED] about [REDACTED] lbs and the guys make fun of [REDACTED]. I asked [REDACTED] why [REDACTED] thought [REDACTED] would be directed at [REDACTED] and [REDACTED] really didn't have an answer for that.

I advised [REDACTED] that I had to ask [REDACTED] about [REDACTED]. At first [REDACTED] seemed confused, but then responded, [REDACTED]. I confirmed it was [REDACTED].

[REDACTED]. I asked [REDACTED] what [REDACTED] asked, "What does that have to do with it? Does that make [REDACTED] guilty? I knew you were going to be asking about that. You should see the inside of our house right now". [REDACTED] asked me why I was asking [REDACTED] about that and I looked at [REDACTED] and said it was an obvious question that I needed to ask about. [REDACTED] but I needed to ask [REDACTED] about it. [REDACTED] stated that all along Rte 95 heading toward Florida they are [REDACTED] all over the place, even at the State Building. I again advised [REDACTED] that it wasn't a crime for [REDACTED] to [REDACTED] [REDACTED] I just needed to ask [REDACTED] about it.

[REDACTED] advised that because other mailboxes were also sprayed with the same graffiti, [REDACTED] didn't think it was directed at the farm or any of its employees.

I advised [REDACTED] that I was certainly not accusing [REDACTED] of anything because [REDACTED] that I had already spoken to advised that [REDACTED] for them.

[REDACTED] Immediately after I said that, [REDACTED] made the comment that [REDACTED] was just at [REDACTED] last Friday, then asked [REDACTED] if it was Thursday. [REDACTED] stated that [REDACTED] was there on Friday visiting. [REDACTED] stated that "it was definitely Friday". [REDACTED]

[REDACTED] stated that when [REDACTED] they advised [REDACTED] about [REDACTED] so if [REDACTED] didn't want [REDACTED] could [REDACTED]. [REDACTED] stated that [REDACTED] chose to [REDACTED], but followed that comment up by stating that [REDACTED] just preferred to work outside. I advised [REDACTED] that we were going to be getting [REDACTED] I advised them that we just had to go pick it up.

[REDACTED] asked what the punishment was for a Hate Crime and we advised that it very rarely occurs in VT so we weren't even sure ourselves. We advised [REDACTED] that the Federal Task Force has already contacted us. We advised that their agency normally investigates these types of crimes, however, if we knew that whoever did this did not have any intent for this to be a Hate Crime and that it was like [REDACTED] thinks, "a drunk kid that did something stupid", and we knew that was the offender's only motivation, then VSP could potentially charge it as a vandalism. We advised them that if they heard anything, such as any names, to give us a call and we would follow up on any lead. We advised that if we could talk to the person responsible and get out ahead of the Federal agency taking it over, then we may be able to charge it as a simple vandalism, but without being able to talk to the person(s) responsible, we don't know what their intent is/was. Again, prior to clearing from this location, we advised them to call us and leave us a voicemail if they wanted, they didn't even have to leave their name if they didn't want to, just the information they wanted to pass along to us, should they hear anything.

Subscribed and sworn to before me on  
This 13th day of September 2017.
